

ES300

A new era of carpet cleaning

- greater productivity for large carpeted areas

With the ES300 Nilfisk has entered a new era of carpet cleaning. This machine is ideal for cleaning your high and light traffic carpeted areas and not only remove dirt and water, but the machine also meets the highest standards to extend the life of your carpets. Besides its great productivity and cleaning performance the ES300 is easy to operate.

On the ES300 you find standard features like:

- A floating brush head adjusting automatically for better carpet contact and improved water recovery
- A larger tank with increased water capacity provides extended cleaning time and fewer refills
- Powerful vacuum motor for efficient removal of dirt and faster drying times
- Adjustable handle design for easy manoeuvrability in tight spaces
- Compact design makes storage and maintenance much more convenient
- Quickly switch between cleaning modes
- Large wheels for easy manoeuvrability for up/down stairs

These innovative features, among others, are why Nilfisk machines are some of the most cutting edge and user-friendly available, making cleaning easier.

Technical specifications

Description	Unit	ES300
Item no.		CM56265503-01
Voltage	v	120
Rated power	W	1824
Sound pressure level at 1.5m	dB(A)	68
Productivity rate	m ² /h	159
Suction width	mm	480
Working width	mm	410
Pump pressure	psi	120
Solution/recovery tank	litre	34/26.5
Brush motor power	W	249
Brush diameter	mm	410
Brush speed	rpm	1950
Length x width x height (only machine)	mm	711x489x813
Weight	kg	53.5
Operating weight	kg	46.3
