

HFM1500-R Series

Hurricane Rotary Floor Machines

NEW

Fully Adjustable Handle

Optional 10kg Additional Weight

Optional Solution Tank

Optional Hi-Dust Filter

Numatic

Professional cleaning performance in 150RPM, 230RPM, 300RPM and Hi-Speed 450RPM. Transmission of power to the floor is seamless via the long-life, low load, oil filled planetary gearbox, resulting in superb handling characteristics and excellent cleaning results.

All models are fitted as standard with our generous oversized Hurricane 1500W drive motor.

A comprehensive range of accessories is available to cover wet applications, carpet shampooing, vacuum polishing and floor sanding.

Built to Last

Powerful, heavy-duty Hi-Cool 1500W long-life motor.

Performance You Can Trust

Automatic Torque Control (ATC) balances power input.

Powerful Cleaning Results

User-friendly features offers power, convenience and efficiency.

User-Comfort

Find the perfect working position with the fully adjustable handle.

Ultimate Versatility

A wide range of accessories available for all applications.

Enhanced Sustainability

Made using our ReFlo recycled plastic reducing the use of virgin plastic wherever possible, whilst maintaining the same quality and durability in our products. Each HFM machine is made from a minimum 35% recycled content.*

*35% represents the minimum use of recycled plastic, including all accessories.
