

VHS120 All-In-One General Cleaning

The VHS120CB has been efficiently designed to offer a simple and effective solution for specialised industrial cleaning requirements. This compact and robust industrial vacuum is the ideal choice for any general cleaning needs; it's equipped with the perfect accessory kit which includes the most commonly used tools. Using this industrial vacuum ensures a cleaner working environment in a matter of minutes.

This industrial vacuum cleaner is an excellent balance between quality and price. Being compact and powerful, and already equipped with an industrial cleaning accessories kit, the VHS120CB is ideal for cleaning spacious areas, both on open floors and those suborn spots. Consisting of a 5-meter polyurethane hose this kit lets you clean areas quickly and effectively.

Thanks to the numerous elements (handgrip, wheeled floor nozzle, cone, flat-tip crevice nozzle, etc.), it is incredibly versatile. Using this Nilfisk industrial vacuum means getting a cleaner working environment in only a few minutes. With specialised industrial cleaning equipment, your facility will be up to industry regulations to provide safe and efficient production and working environments.
