

NLL332-R

Rotary Floor Machine

Numatic

Why Buy NLL322-R

Compact size with performance characteristics equal to that of bigger and more industrial machines, yet with an ease and speed of operation that will immediately endear it to any operator.

The LoLine range of low profile floorcare machines has been developed to meet both the growing demand and need for a choice of models that are smaller in size, lighter in weight, compact and convenient in storage whilst, at the same time, being quick and easy to use without loss of performance.

Designed specifically to meet this demand and raises the handling and performance levels to an exceptional user-friendly standard.

Made using our ReFlo recycled plastic reducing the use of virgin plastic wherever possible, whilst maintaining the same quality and durability in our products.

ReFlo Technology uses high-quality recycled, post-industrial and post-consumer plastics across the Numatic range.

Key Features & Benefits

Easy Storage

Compact and lightweight design that folds flat for easy storage.

Unrivalled Performance

200rpm equalling performance of bigger industrial machines.

Wide Range of Accessories

A range of accessories, pads and brushes available.

Powerful Cleaning Results

User-friendly features offers power, convenience and efficiency.

NuLoc2 System

Optional pad interchange systems, quick, simple and secure.

Enhanced Sustainability

Made using a minimum 30% high-quality recycled plastic* from ReFlo Technology.

*30% represents the minimum use of recycled plastic, including all accessories.

Product Features

Brushes & Pads
